

Effective school emergency management is needed for emergencies to be handled efficiently. This seminar will highlight the importance of effective decision-making, incident dynamics, lessons learned, emergency procedures, best practices, severe weather preparedness, and New York State regulations.

At the conclusion of the seminar, participants will be able to:

Understand the importance of leadership and decision making.

Understand the importance of Severe Weather Preparedness.

Understand New York State Safe Schools Against Violence in Education Act (S.A.V.E.) Requirements.

Understand the dynamics of a critical incident.

Understand how to implement school emergency procedures

Inclement Weather Provisions:

If Dutchess County BOCES is closed, the seminar will be rescheduled.

If DC BOCES is on a two-hour delay, the seminar will start at 10:00 a.m.

Information on the status of DC BOCES can be accessed on their website:

<http://www.dcboces.org>

or by calling (845) 486-4800
