District-wide School Safety Plans, Building Level Emergency Response Plans, and Codes of Conduct, are subject to a public hearing, are reviewed and updated annually, and filed with the commissioner of education no later than 30 days after adoption.

4. Teacher Authority/Principal Authority

Allows teachers to remove disruptive or violent pupils from the classroom, consistent with district codes of conduct, with appropriate procedural safeguards for affected students.

Adds principals to those empowered to suspend pupils from school entirely, without specific board delegation of that authority.

Requires districts to include, in their codes of conduct, minimum periods of suspension for violent or repeatedly disruptive pupils.

Disruptive pupil is defined as one who:

- Is substantially disruptive of the educational process or interferes with the teacher's authority over the classroom

Violent pupil is defined as one who:

- Possesses, displays, or threatens to use a gun, knife, or other dangerous weapon

Removal procedures:

- Administration has authority to suspend for up to five days without delegation from board of education.
- District shall implement policies and procedures to provide for continued educational programming for removed pupil.
- Student must be informed of reason for removal by teacher.

 - Number and types of violent incidents
 - Number of suspensions and other forms of discipline
 - Location where the incident occurred
 - Whether the incident involved a weapon
 - Actions taken by the school
 - Ages and grades of disciplined pupils
 - The nature of the victim and victim's age where appropriate

This includes an annual report to the governor and the legislature regarding the prevalence of violent incidents on school grounds and at school-sponsored functions, and inclusion of such information on school report cards.

6. Instruction in Civility, Citizenship, and Character Education

Requires districts to include a civility, citizenship, and character education component in the K-12 course of instruction concerning the principles of honesty, tolerance, personal responsibility, respect for others, observance of laws and rules, courtesy, dignity, and other positive traits.

7. Health Curriculum

Requires the Board of Regents to review the current health curriculum requirements to ensure that students have sufficient time and instruction to develop skills to address issues of violence prevention and mental health.

8. Interpersonal Violence Prevention Education

Commissioner shall develop and distribute an interpersonal violence prevention package to schools for use in health and related areas.

9. School Violence Prevention Training

- Must be included in Superintendent's Conference Days annually.
- All individuals seeking certification as of February 2001 must have completed a two-hour course in violence prevention.

10. Whistle Blower Protection

Protection for those employees who report violent incidents, whereby an employee may not be disciplined or fired for reporting these incidents and is protected from any civil liability.

11. Fingerprinting

- Requires prospective school district employees and applicants for certification to be fingerprinted for a criminal history background check in order to be cleared for employment.
- Does not apply to volunteers.
- Does not apply to current employees of a school district. However, if a current employee terminates employment and seeks employment in a different school district, the individual must undergo the fingerprinting process. This law will also apply if a currently certified individual applies for additional certification, such as a teacher applying for an administrator's certificate.
- The New York State Education Department will collect fingerprints and a \$99 processing fee from each applicant and submit to the New York State Department of Criminal Justice Services. Provisions exist for a waiver of the fee for applicants for employment who demonstrate to the district that payment of the fee would create a financial hardship. Criminal history records, if any, will be sent by the New York State Department of Criminal Justice Services and FBI to the New York State Education Department for review and consideration of whether any convictions or outstanding arrests justify denial of clearance for employment or certification. Applicants who are denied clearance will be afforded an opportunity to challenge the determination by the New York State Education Department and to review and challenge content of criminal history records through the New York State Department of Criminal Justice Services process.

12. Assaults on Teachers

Increases assaults to a Class D felony from Class A misdemeanor.

13. Child Abuse Reporting
